

CHESTER COUNTY HOSPITAL GALA
AT LONGWOOD GARDENS

presents

New Orleans
JAZZ
Night

Penn Medicine
Chester County Hospital

Whether you like your Jazz hot, cool, or on a blue note, come to be seen at the "Coolest Scene" in all of Chester County.

You can "chill out baby" and be "Stompin' at the Savoy" (Longwood Gardens) to the hottest, jazziest notes performed by the big Jim Levendes Band. It will be so cool even Louie Armstrong or Jelly Roll Morton will want to sit in on this "Gig!"

Cookin' with a creole touch, is the "New Orleans" flavor, sportin' favorites from the Mississippi Delta.

Listen to the songs and improvisations of Charlie Parker on sax, Buddy Rich on drums, Dave Brubeck's "Take five," Oscar Peterson on piano, and allow the Gala Committee of the Chester County Hospital work its voodoo on you and "Let the Good Times Roll!"
