

TURKS HEAD AUXILIARY

A BRANCH OF THE WOMEN'S AUXILIARY
TO THE CHESTER COUNTY HOSPITAL

Dear Friend,

On behalf of the Turks Head Branch of the Women's Auxiliary to the Chester County Hospital, we invite you to join us at the **13th Annual Chester County Hospital Polo Cup, on Sunday, June 9, 2019** at the Brandywine Polo Club in Toughkenamon, PA.

Thanks to our generous supporters, last year the Polo Cup raised critical funds to support the Prenatal Clinic and NICU at Chester County Hospital. More than 800 volunteers and spectators were in attendance for this divot stomping, heart-racing Sunday afternoon party, and an event that the whole family can enjoy. We are excited to have you join in our 2019 efforts. We can't do it without your support.

This event benefits the vulnerable women and children of Chester County who are serviced by our Prenatal Clinic. For 30 years, mothers who could not afford health care for themselves or prenatal care for their babies have turned to the Prenatal Clinic at Chester County Hospital for gynecology care, obstetric care and childbirth deliveries in a comfortable, personalized setting.

Enclosed please find the 2019 Auction Donation information. The Polo Cup is one of the area's premier events to entertain potential clients, say thank you to current clients and employees, and celebrate your business or organization. With hundreds in attendance, and thousands reached through marketing materials, direct mailings and social media, your support of the Chester County Hospital Polo Cup is a great way to showcase your commitment to the community.

With sincere thanks,

2019 Polo Cup Committee
